The image displays a 2D plot with a grid of points. A complex, jagged boundary is defined by a series of small circles, each containing the number '1'. The boundary starts at the bottom left, moves upwards and to the right, then curves back down and to the left, forming a large, irregular loop. The interior of the loop is mostly empty, with a few scattered '1' circles. The boundary is highly irregular, with many small protrusions and indentations. The plot is enclosed in a dashed rectangular frame.
