

Rhinestone placement stencil «Astronomer-dog»

Rhinestone layout (stencil) "Astronomer Dog". 3787 rhinestones. This is not just a dog with a telescope — this is a philosopher with a tail, striving for the great sausage of the Universe.

«Aquamarine»

Aquamarine rhinestones – bright, fresh, and sparkling in the blue-turquoise spectrum – perfectly complement white, silver, black, coral, light blue, mint, and fuchsia. However, they can get lost on fabrics of a similar shade and clash with warm, earthy tones like terracotta, khaki, and mustard.
